Mirrors the

*Moods*

*W.H.S.*

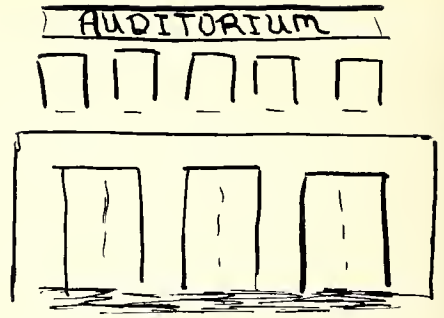

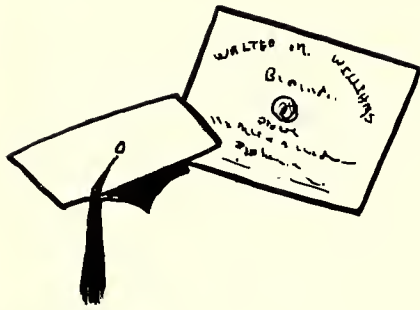

Although no tangible mirror exists which could actually reflect the many moods of W.H.S., the students and all activities, the pages of DOE-WAH-JACK present to you the scope of impressions we associate with all that we do and think as we go through the days that become a year of living at Williams High.

Traveling these halls many times has given us varied feelings, feelings which will always remain a part of our lives.

We have experienced hope—the hope that Williams has built maturity into our character; solemnity—the thoughtful strolls around the silent campus; anxiety—the anxiety before exam season when final grades draw near; loneliness—the loneliness after graduation when the heart of Williams has broken into many pieces; joy—the nocturnal parade before the homecoming game; and fulfillment—the opened doors, graduating greys, and distinguished gentlemen who preside at that special ceremony . . .

All these things we will cherish through the years. Lest we forget, they have been captured in the 1959 DOE-WAH-JACK.

## Foreword

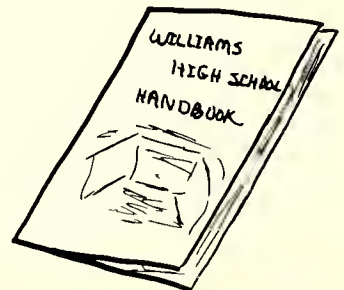

In our attempt to assemble an annual for you, the students, the 1959 DOE-WAH-JACK staff has made some deviations from the set pattern.

Because this annual is meant to be truly representative of Williams High, the school colors, black and gold, are used on the cover and throughout the book. We have also gone back to the padded cover, used more color, and added extra pages.

We have devoted additional space to the seniors and to the faculty since these two groups comprise such an important part of our school, but we have by no means neglected the underclassmen.

As we did all these things, there was one thought in our minds. The students must like their book!

And here it is. May you enjoy it now and for years to come.

*Betty K. Gerow*

She has achieved success by living well, laughing often, and loving much. She has gained the respect of the intelligent and the love of the innocent. She has continuously looked for the best in others and has given the best she has. Each W.H.S. student is aware of her numerous services to the school.

Because of her generous nature and genuine interest in us, we enthusiastically dedicate this 1959 DOE-WAH-JACK to

MRS. BETTY K. GEROW

Surrounded by "her girls" and looking through a scrapbook of their activities, Mrs. Gerow smiles contentedly as Keyette advisor.

Being "Latinus" teacher requires much time of our petite popular lady; but she considers the vocation of teaching a reward in itself.

Dancing is her hobby we're informed, and she prides herself in teaching WHS'ers the latest dance steps.

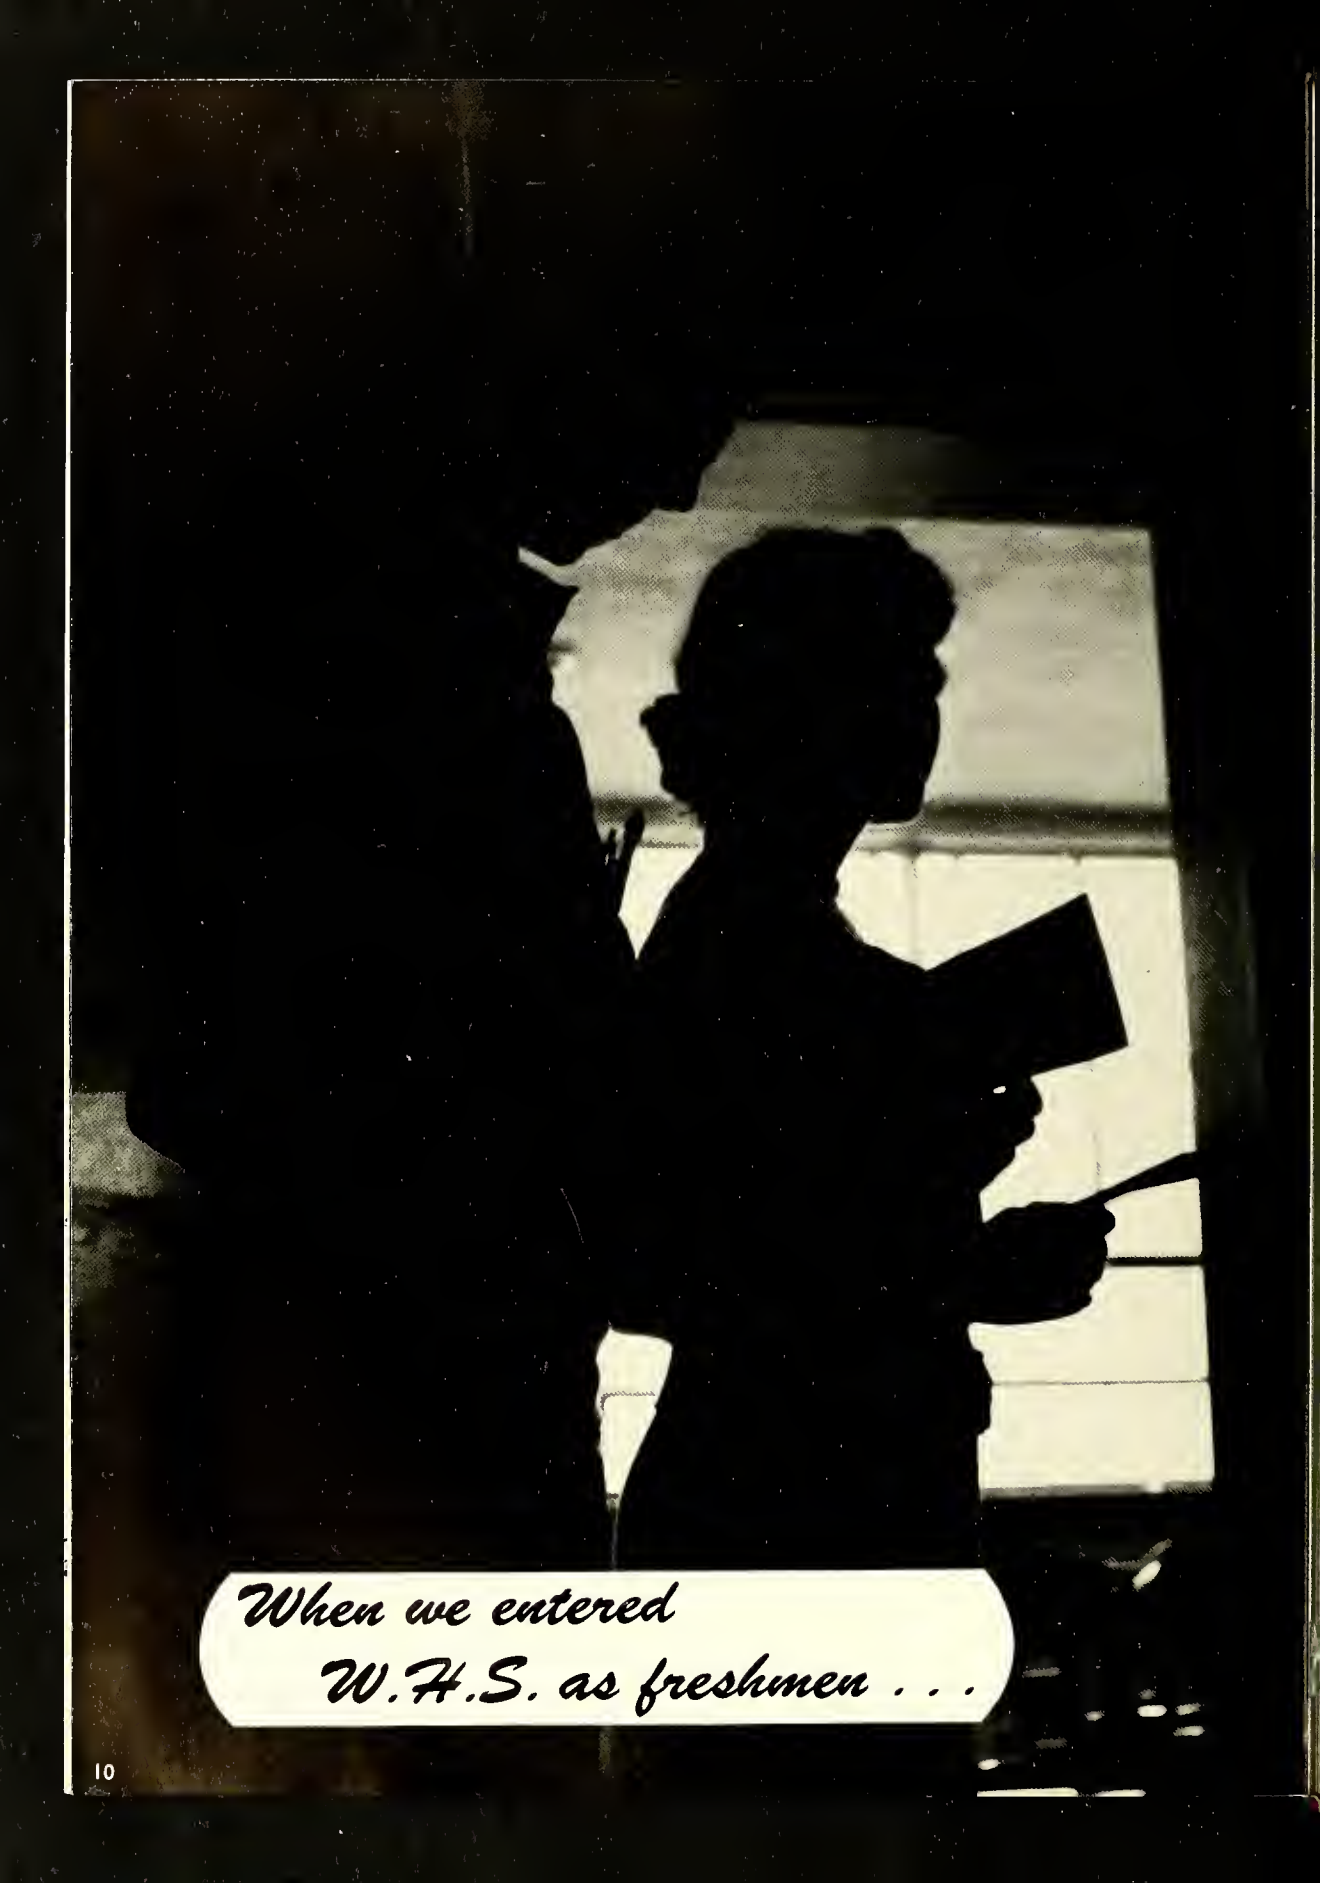

*Walter M.*

*Oh, Williams High, we pledge  
Allegiance now to you;  
To thee we'll ever be true,  
Moulder of our destiny.  
We honor you always;  
We love you cause you're best,  
And so we sing praise to you.  
Three cheers for old W.H.S.!*

## *Williams High School*

*Long may her banner wave,  
The symbol of the right.  
We'll never let it be scarred,  
We'll shield it with all our might,  
So hail to you fair gem,  
The brightest of the best.  
Once more we'll sing praise to you.  
Three cheers for old W.H.S.!*

A high-contrast, black and white photograph showing the silhouettes of two people in a classroom. One person is standing and looking towards the right, holding a book or paper. Another person is leaning over from the left, looking at the first person. The background is a bright window with horizontal blinds, creating a strong backlight effect. The overall mood is nostalgic and focused.

Just as the myriad lights of our school illuminate the building in moments of darkness, so the reflections of our teachers brighten the shadowy paths of knowledge we tread.

Like these lights, our instructors are steady, unfaltering, and ever ready to be depended upon. When we stumble in the darkness of confusion and despair, all we have to do is reach out and grasp the hand that will lead us into a world of knowledge and success.

## *Mr. Lester R. Ridenhour*

Under the guidance of our principal, Mr. Lester Ridenhour, Walter Williams High School has continued to advance toward the perfection of a more complete education for all. The unfailing interest shown by Mr. Ridenhour has proven often that the controls of Williams are in very capable hands.

## *Secretary*

One of the most trying positions at Williams is that of the office secretary. However, Mrs. Gertrude Tisdale has managed to run our office with efficiency and perfection. She is always ready to lend a helping hand.

## *Counselors*

Here to help us, the guidance counselors are called upon constantly to advise the students on which courses will best aid them in their chosen professions. Miss Ray, Mr. Miller and Mr. Poovey offer their help in solving many of our problems and most certainly deserve our gratitude and admiration.

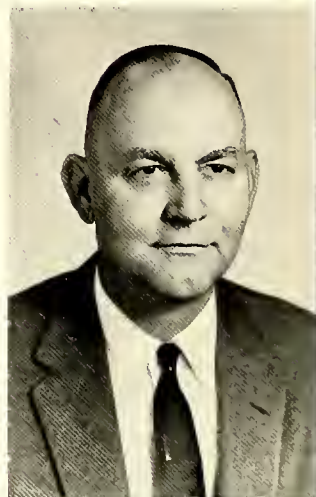

## *Board of Education*

Composed of citizens who have the interest of the school and the community at heart, the Board of Education has served well this year. They serve to promote better relations within our city school system. First row: Dr. Murray, Mrs. Glenn, Mr. Williams. Second row: Mr. Pardue, Mr. Isley, Mr. Traynham, Mr. Lackey.

## *Administrative Staff*

Consisting of the heads of all specialized educational departments, the Administrative Staff deserves much credit for their contributions toward a well-run school system. First row: Mrs. Strickland, Mrs. Dawson, Dr. Spikes, Miss Wiseman, Mrs. Porter. Second row: Mr. Festa, Mr. Lentz, Mr. Newlin. Not pictured: Mrs. Barham.

## *Dr. L. E. Spikes*

Responsible for heading the entire Burlington City School System, Dr. L. E. Spikes has done an excellent job this year, supervising the curricula and special programs and working to expand the school facilities. His leadership and good judgement have been a great asset to the community; we appreciate his efforts in our behalf.

Honor roll or failure? Despair and relief are two emotions that are openly displayed on "report card day." By gazing into a few faces, we can surmise the results of the past six weeks' work. Though students often regard grades lightly, when report cards are issued their expressions mirror their mood more precisely than at any other time of the year. Undeniably, report cards are our "O.K." or "S.O.S." when "Graduation Day" is to be considered.

## "Sam"

Repairs, -leaks, "shorts"—call "Sam"! Through the years, students at W.H.S. have learned to claim "Sam" Yarbrough as their own. We'll always appreciate the tireless hours he exerts each day.

## Lunchroom

Ambling through the cafeteria here at Williams, we realize upon first glance that this is Lunch Period I (i.e., "The Freshman's Hour!").

## *Bus Drivers*

Upon these boys depends the safety of many students. They have proved themselves capable of accepting this great responsibility. First row: Keenan, Linnens, Johnson, White, Warren. Second row: Pennington, Bright, Gammon, Cobb.

## *Student Store*

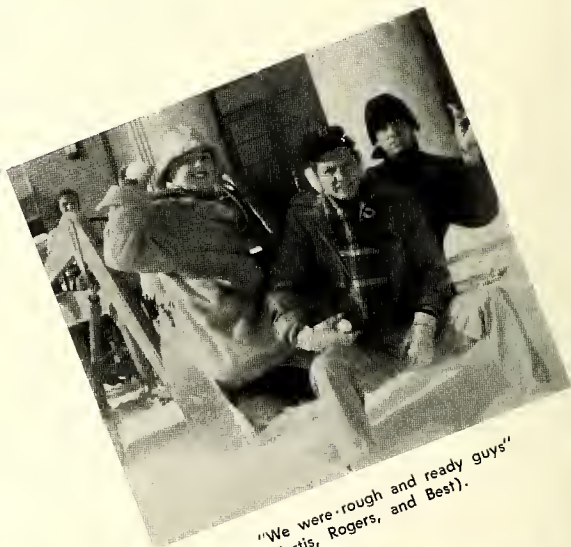

Each morning these students can be found efficiently dispensing the notebook paper, pencils, cough drops, and other miscellaneous articles so necessary to school life. Grubbs, Hartis, Newsome, Lynch.

# The Day That the Snow Came Down

No parking tonight! (Lamm's Lake)

"We were rough and ready guys" (Hartis, Rogers, and Best).

Have you got chains on your tires, George?

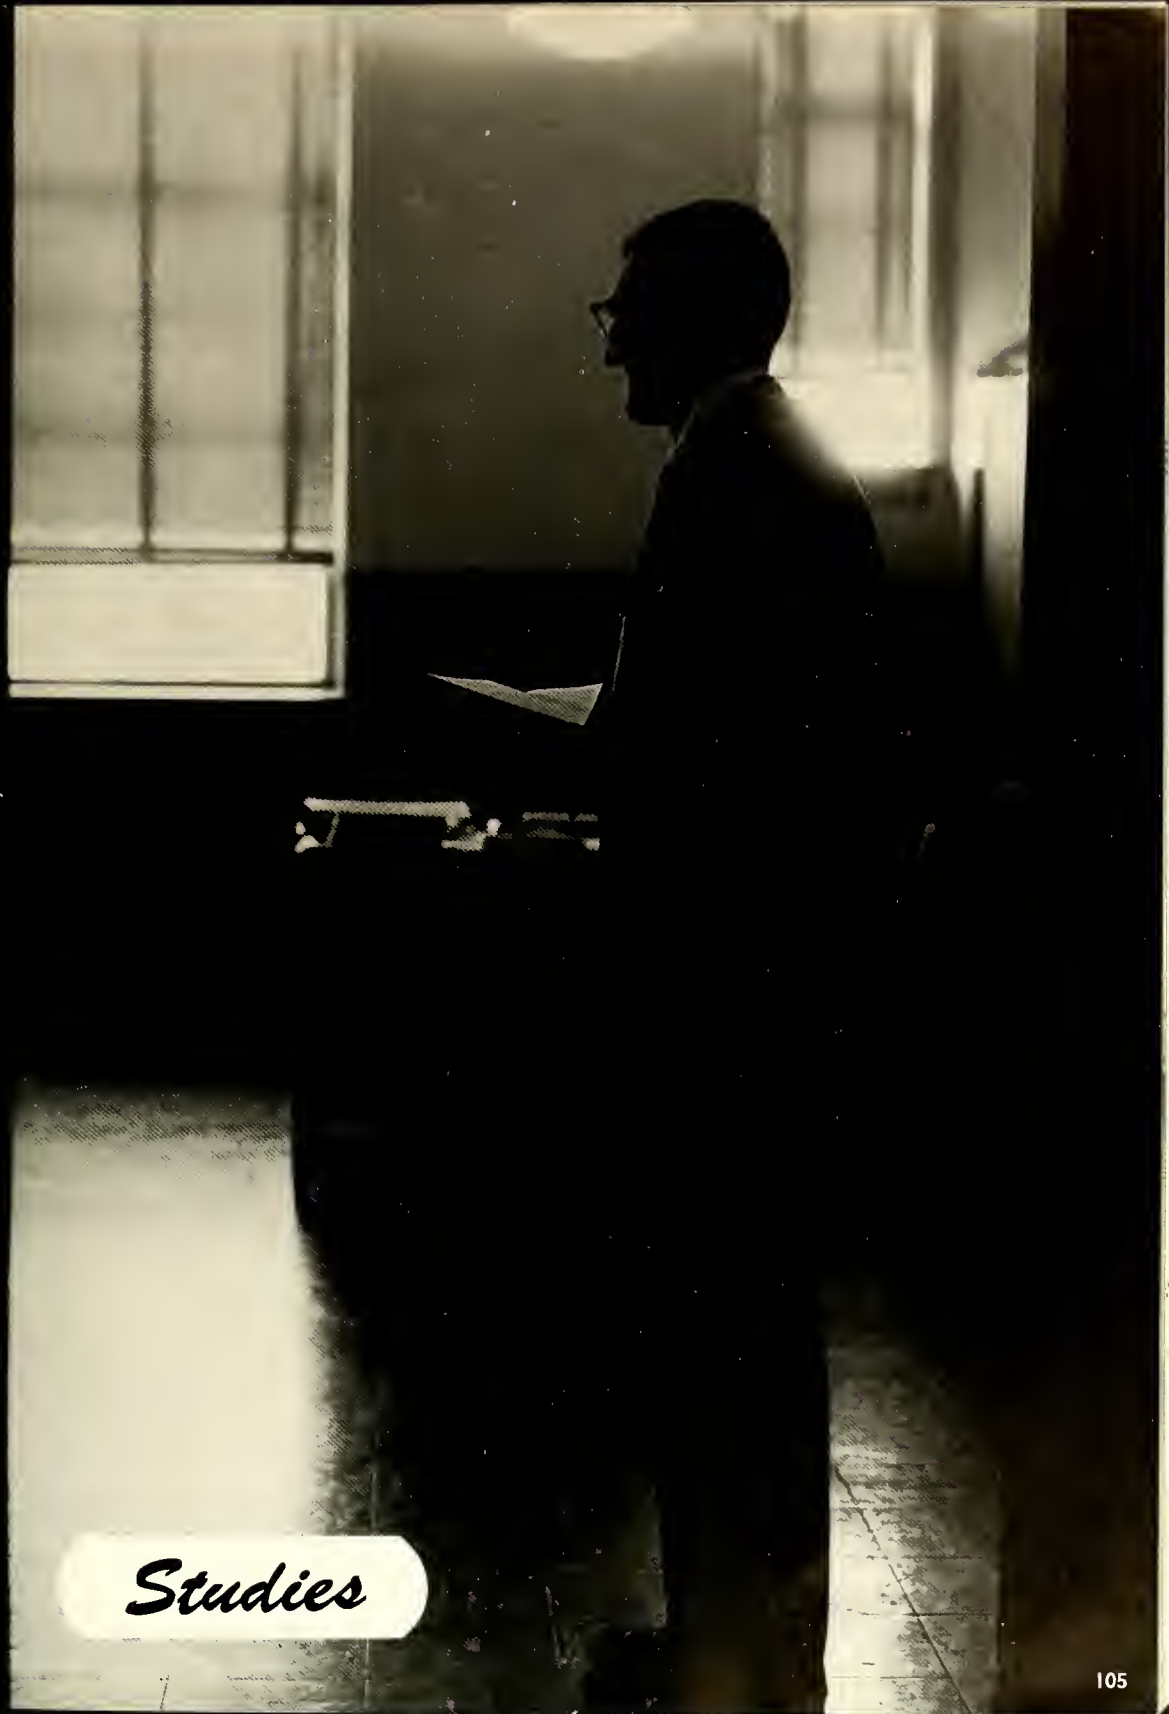

Why's everybody always picking on me?

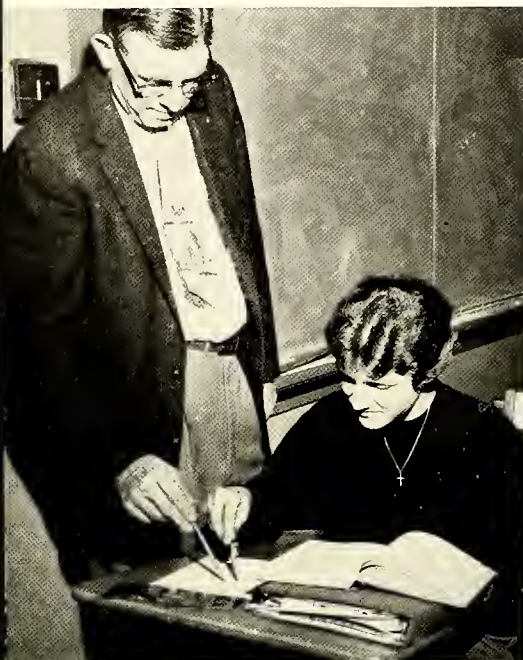

Britta says, "It's almost like home!"

*Studies*

If you can draw a circle, then you're surely not a square—in Geometry, at least.

2 minds = 1 answer as Mrs. Poovey and Sarah Fowler put their heads together.

*We*

Physics students learn to use the calorimeter.

"But, Miss Edwards, I didn't want to write a book," says Johnny in senior English.

*study . . .*

"Once you understand the problem, it's 9/10 finished," Mr. Bondurant explains to John Kinney.

Miss Kichline seems pleased about the display of projects in Bible.

"Drip Drop Drippity Drop" and boom!—that's Chemistry.

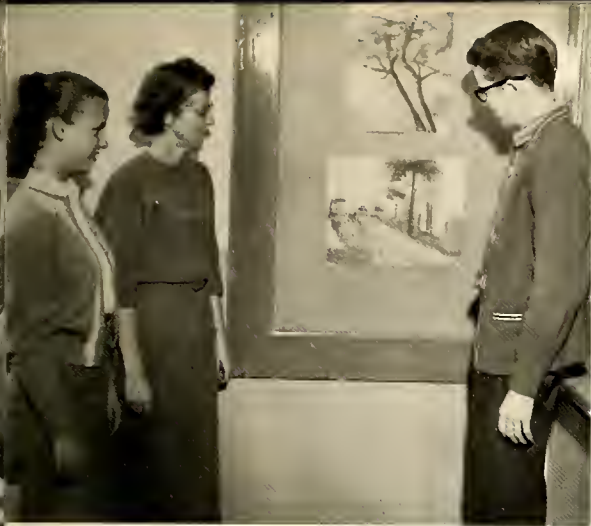

Mix well and then take cover—but if it were dangerous, surely Mrs. Hill and Diane wouldn't stay.

*... because*

Peek-a-boo, I'm watching you, li'l amoeba.

Hands that clap, faces that depict ecstasy, voices that scream "We're from Williams, couldn't be prouder!". The faithful followers of Bulldog teams became ardent club members and active participants in all school organizations. The same enthusiasm they give to their teams is the spirit that creates vitality in all activities at W.H.S.

An efficient Student Council, composed of the leaders of the school, has solved many problems with the invaluable advice and aid of their advisor, Mr. Fred Miller. Seated: Wrape; Newsome; Sutton; Grubbs; Moran; Standing: Brown; Finley; Kilpatrick; McAteer; Prickett; Lupton; Miller, Adv.

## *Student Body Officers*

The student body has the privilege of nominating and selecting their own officers each year. Having worked compatibly, these officers are due a "thank you" for their diligent efforts throughout their term. Sutton, Sec; Newsome, Treas.; Moran, Pres.; Grubbs, V.-Pres.

In 1958 the Williams High Student Council inaugurated a new idea for promoting better relations between the schools by inviting the leaders of all the schools in our conference to attend a convention. These students enjoyed an activity-packed day and went home with a sounder understanding of schools.

One of the many jobs of the Student Government is to nominate candidates for student body offices. This group, composed of all homeroom presidents and the Student Council, acts as the teenagers' congress, representing the entire school. First row: Hay; Jones; Smith; Sutton; Kidd; Chandler; Peele; King; Long, B.; Rudd; Long, D.; Gordon; Allred; Thompson; Wrape, J.; Covington. Second row: Bright; Kiser; Stevenson; Wrape, M.; Porterfield; Brown; Lupton; Elkins; Thomas; Todd; Nelson; Davis; Allen; Ward; Copland. # Around W.H.S. in 180 Days

Miss the chair, Linda?

Our WHS clowns—but why the long faces?

We're getting smaller these days.

Vernon, Vernon, he's our man . . .

A party in the library?

Hey, George, got the time?

It really was an Affair to Remember!

Watch your etiquette, Diane.

But Mr. Poovey, I'm late to class! (Paul-etta explains)

# Working

No fraternizing in the mimeographing room, Mr. Bondurant!

Leotards! Just what I wanted, says Mrs. Ham-bright.

Boys,  $H^2 + 0 = \text{water}$  (I think).

Why doesn't someone adopt Little Orphan Annie? (Mr. Wilson wonders)

Ready for the Mardi Gras, Miss Gill?

Hmmm . . . That one was hilarious.

Mrs. "Tom Dooley" doesn't look so sad.

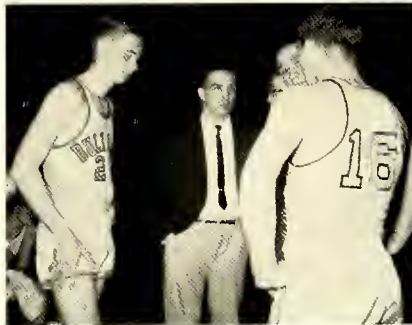

# Mood?

But, Mr. Guthrie, I promise not to miss my line again, pleads Ann.

"People, I'm getting punchy," warns Mr. Hight.

All right, boys, let's GO, GO, GO!

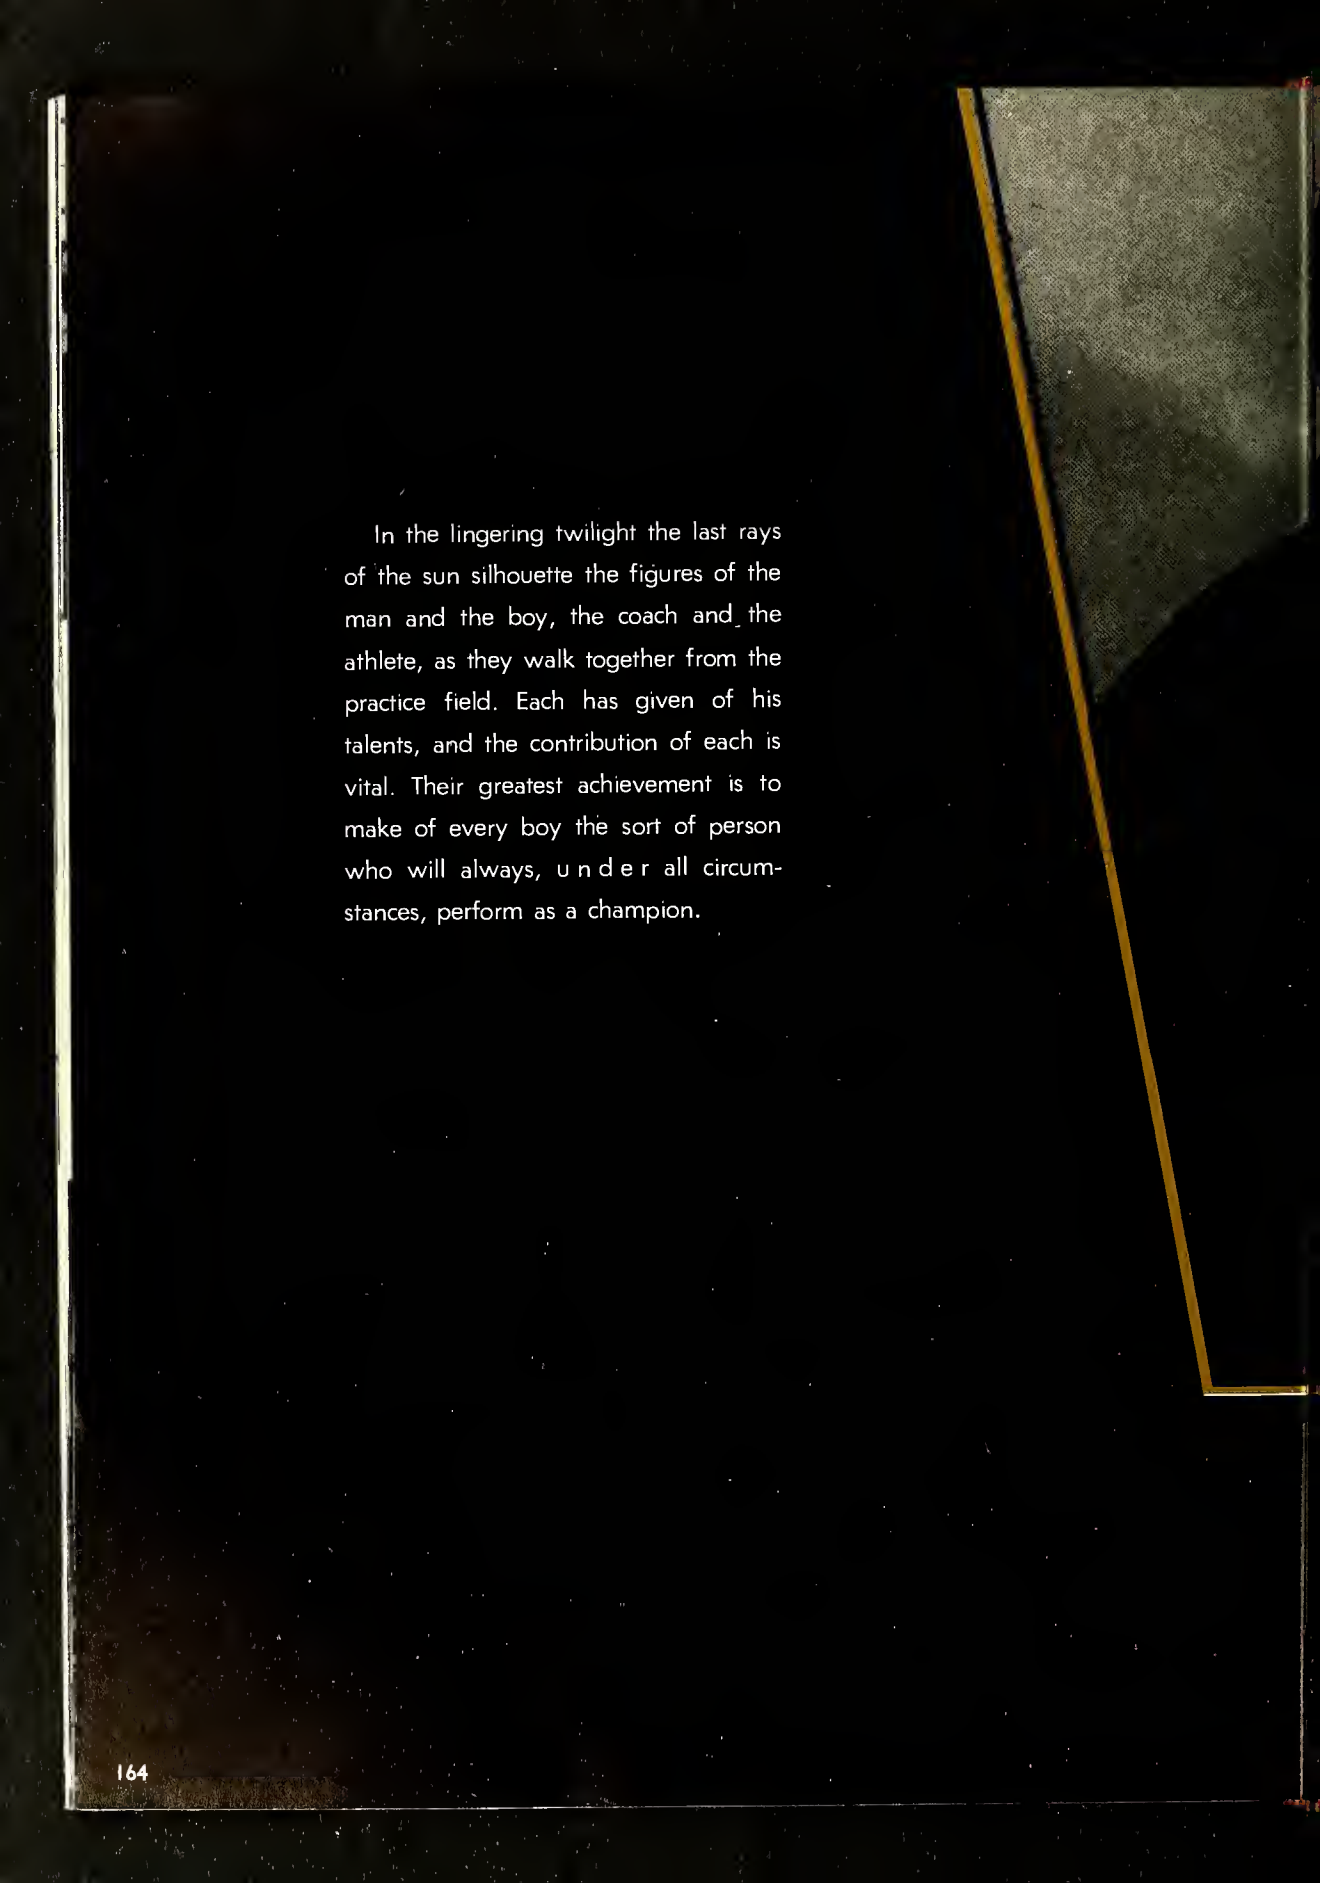

Practice teachers have time for the library?

I give up—what is it? (Mr. Culpepper)

Sorry, wrong number. (Mrs. Danielly)

In the lingering twilight the last rays of the sun silhouette the figures of the man and the boy, the coach and the athlete, as they walk together from the practice field. Each has given of his talents, and the contribution of each is vital. Their greatest achievement is to make of every boy the sort of person who will always, under all circumstances, perform as a champion.

The 1958 edition of the Walter Williams High School football team showing pre-season form of returning to the heights of the former years, was sidetracked by Thomasville 26-0. Although the team defeated Rocky Mount 12-0, in the "Battle of the Roses," they never regained pre-season form. Following this came a series of defeats at the hands of Dunn, Myers Park, Greensboro, Winston-Salem,

Raleigh, Charlotte, and Salisbury. The battling Bulldogs found themselves again at the end of the season, defeating High Point 18-12 in a whole-hearted team effort such as that displayed in the early games of the season. If this effort had been maintained during the entire season, we are sure the record would have more wins than losses.

## *Junior Varsity*

The Junior Varsity football team had an exceptionally good season. Their only loss was to Greensboro at Greensboro. The Bullpups gained revenge, however, by beating the Whirlies when they came here to play. The boys showed good team spirit and hustle, which will be so vital to them next year in varsity play.

Front row: Ellis; Jordan; Prickett; Newton; Parks; Guyer. Second row: Watson; Pascal; Newsome; Sherod; Coble; Steele. Third row: Gerow; May; Morgan; Oakley; McIntyre; Collins. Fourth row: Ephland; Parker; Tisdale; Darling; Davis; Loy; Smith. Last row: Wilson; Graves; Sutphim; Newton; Clark; Durham.

## *Football*

First row: Spain; Stewart; Chesnut; Mitchell; Anderson; Jarvis; Spain. Second row: Way, Mgr.; Hicks; Covington; Swartz; Smith; Mills.

## *Junior High*

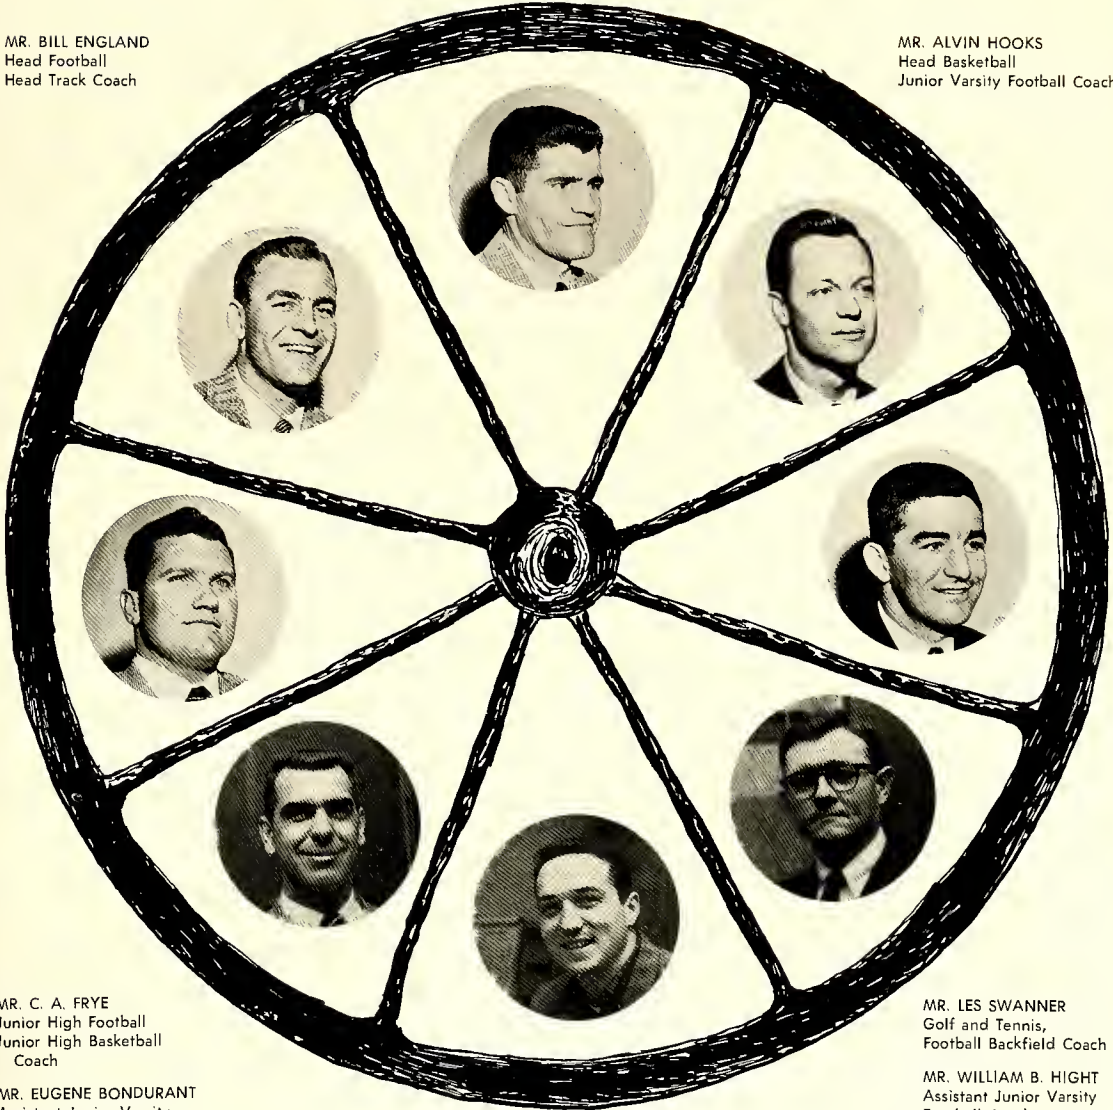

The Jr. Hi football team had a very good season, losing only one game to E. K. Polk. Even though the boys were small in quantities, they made up for this deficiency in quality. Many of the boys show promise of becoming future varsity stand-outs.

Basketball was the high spot in major athletics this year. The Bulldogs had a poor start by dropping three out of six preliminary games played. Mistakes were corrected, however, and the Bulldogs become a power in the conference. During the first round of play, the Bulldogs were defeated only by the conference champs, Greensboro, in a very close game. No boy stood out in every game; but Ray, Hodge, Neal, Bray, Coble each provided the necessary spark in some game. Last year Burlington's 10-4 record was good enough for a second place tie in conference play and earned them a berth in the state AAA basketball tournament.

The last word.

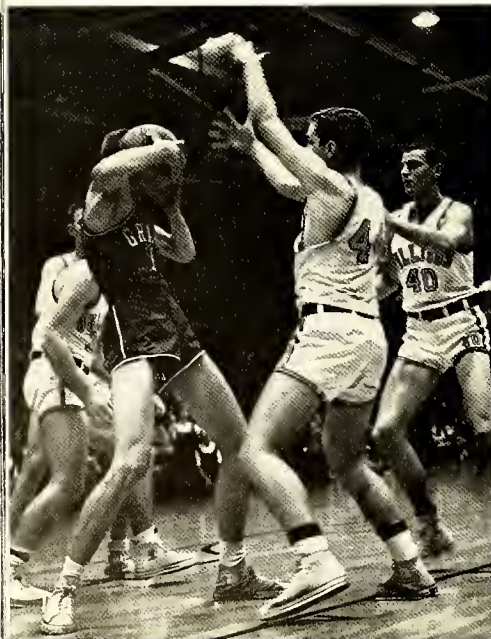

Hodge drives for two.

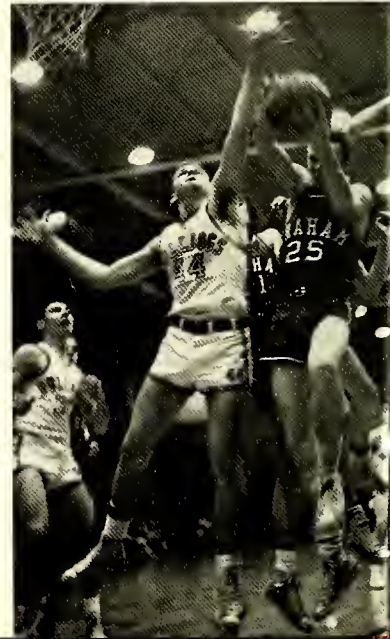

Neal goes up strong in spite of defense.

Coble and Ray attempt to tie up Graham's Cates.

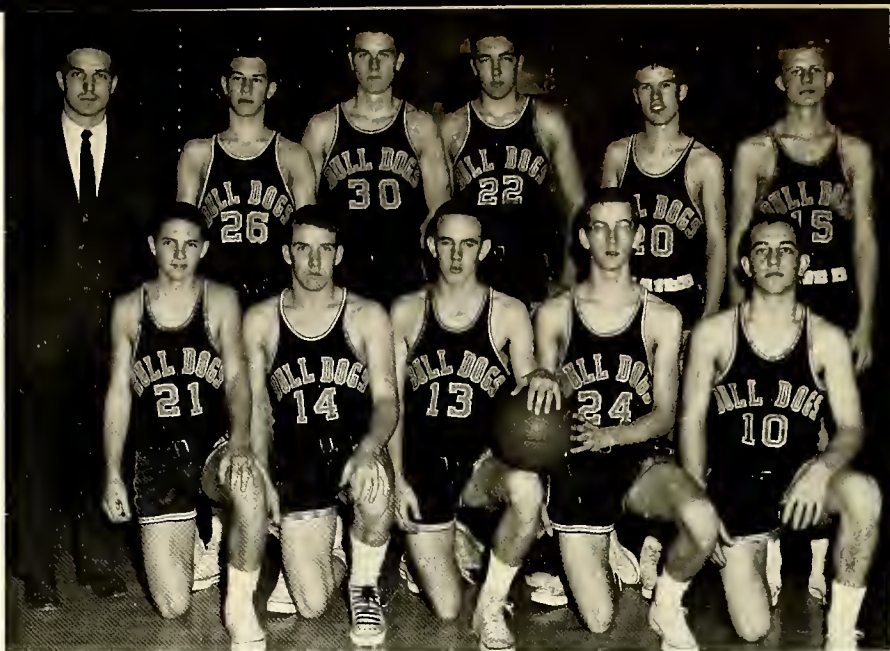

Coble struggles to block shot.

Breezing through the first half of the season on a 9-2 record, the J.V.'s came through with impressive victories over Greensboro, Durham, and Winston-Salem. Then they suffered defeats from the Sylvan Varsity and from the Raleigh J.V.'s although they avenged the latter with sound trouncing.

Turning in outstanding performances, David Baldwin, Dewey Carter, Carlton Prickett and Herbie Johnson could add strength to next year's varsity.

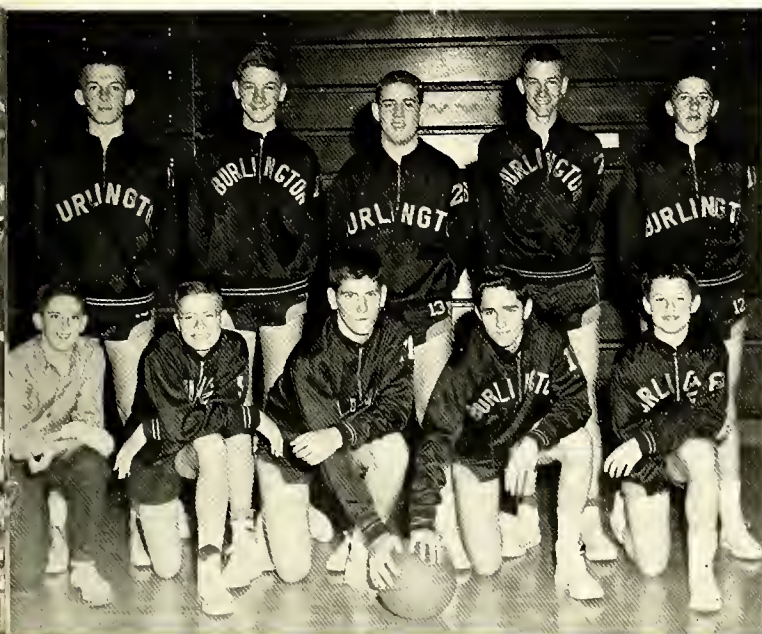

First row: McKeel, Johnson, Prickett, Collins, Maness. Second row: Stout, Coach; Sharpe, Baldwin, Darling, Kernodle, Steele.

## *Junior Varsity*

## *Junior High*

First row: Davis, Joyce, Mitchell, Smithers, Hair, Second row: Harris, Hodges, Finley, Walton, Sharp.

The Bullpups, showing early season promise, won five and lost one. The only loss coming from the Broad Street team, whom they had defeated twice. Under the able leadership of Coach C. A. Frye, they combined good ball handling with a deadly scoring punch to overcome their opponents.

Tommy Mitchel, Dicky Smithers, and Tommy Finley led the team.

Front row: Frazier, Kimball, Truitt, Hollifield, Wilson, Andrews, Newsome. Second row: Farrell, Tillman, Marley, McCann, Sessoms, Neal, Johnson. Third row: Oakley, Prickett, Maness, Allred, Pickard, Sellars, Bowes, Manager Rice.

Neal slides into second base.

Sessoms pops up as Hollifield attempts the out, in an inner squad game.

Playing only eight of the scheduled twenty games, due to the fact that the "monsoon" set in and rained out twelve games, our baseball team could never seem to find the spark needed for a winning team. They won three and lost five of their schedule.

This year with twelve returning lettermen, many of whom are two year veterans, the team should represent our school well in conference play.

Allred makes an attempt at a fly ball.

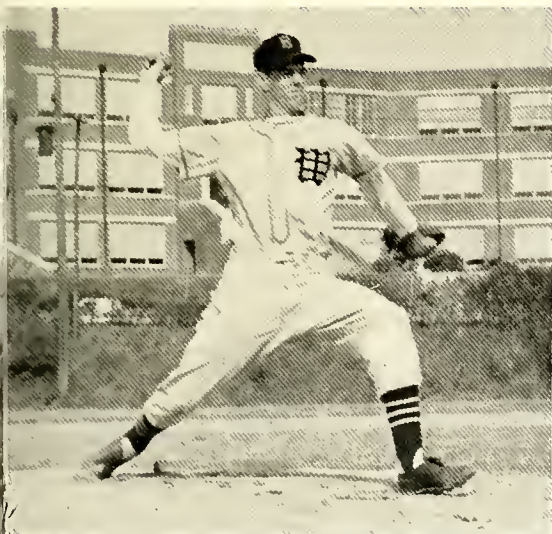

Kimball grabs a hot grounder.

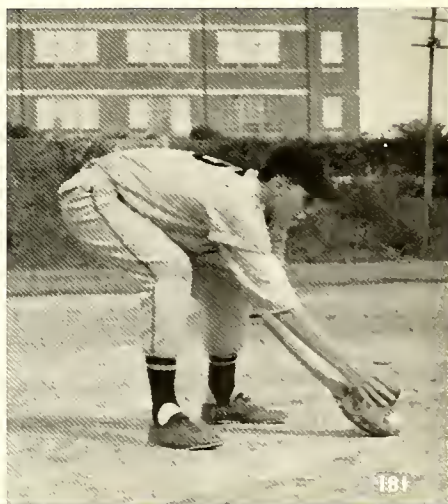

## Baseball

Tillman scoops up ball for out at first.

Bowes' form which guaranteed him a starting berth as pitcher.

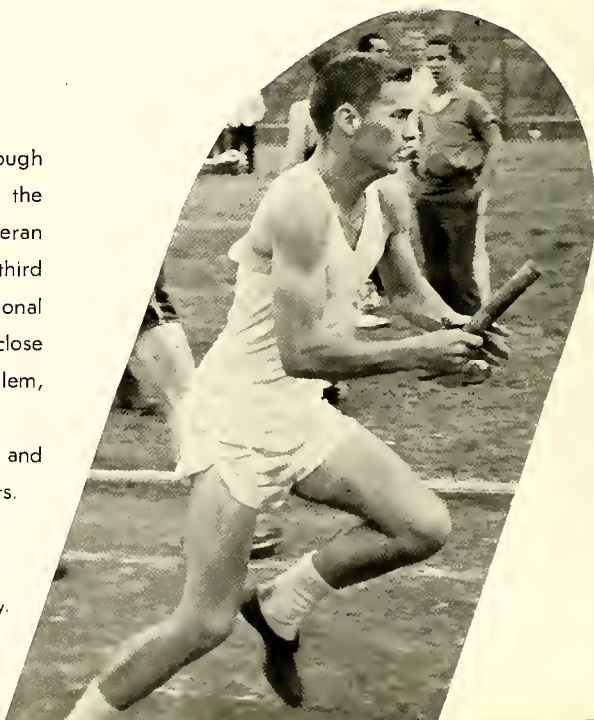

First row: O'Quinn; Self; Hicks; Bryon; Deaton; Montgomery; May; Garrison; Robinson; Graves; Terrell; Smith. Second row: Hinshaw; Rogers, Tisdale; Jordan; Foust; Parks; Hitt; Jones; Suggs; Neely; Phelps; Compton. Third row: Coach Simpson; Bright, Mgr.; Owens; Hartis; Morgon; Pease; Newton; Pascall; White; Efland; Wilson; Dodson; Browning; Stevens, Mgr.; England, Coach.

The 1958 Williams High track team came through with several impressive victories in the course of the season. Led by Ralph Montgomery, senior and veteran cinder man, the team captured the county meet, third place in the conference, and fourth in the sectional meet. In regular season competition they edged a close victory over High Point, dropped one to Winston-Salem, and gained a deadlock with Greensboro.

Prospects for the '59 team are relatively bright and with a few breaks the team could pull some upsets.

Deaton begins last lap of mile relay.

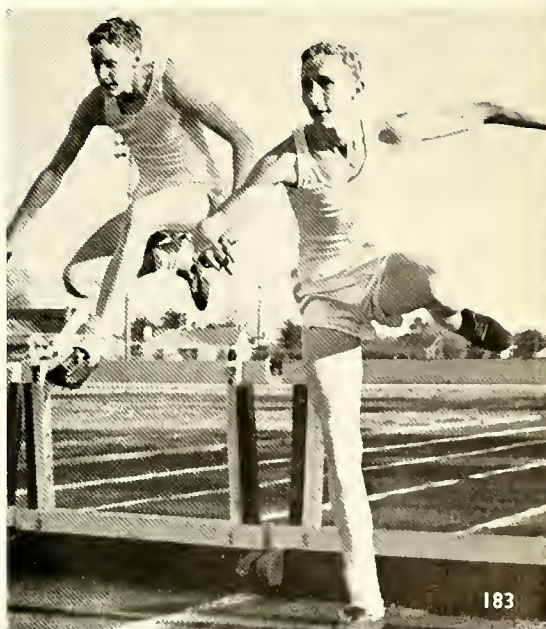

Terrell clears the ten-foot mark.

May strains for first place.

Montgomery receives baton from Deaton in mile relay.

Foust and Coble are well in front in the low hurdles.

Finishing out the season with a 3-3 record, the Williams High Golf team pushed by such golf powers as Henderson and Asheboro. With a wealth of experience in veterans Copland, Gerow, Neal, and Jennings, the linksters dropped matches only to Greensboro and High Point.

With these men out of the picture, the fate of the 1958 team will fall into the hands of several impressive newcomers. Pat Harmon and Jerry Thomas, returning sophomore lettermen, will carry the bulk of the load along with juniors Art Rogers and Bob McCloud. Gaining the needed experience, the team could become a dangerous competitor.

McCloud, Rogers, Wrenn, Bryan, Thomas, Harmon, Swanner, Coach.

Bryan on follow through.

Thomas prepares to blast from the rough.

Harmon chips from a sand-trap.

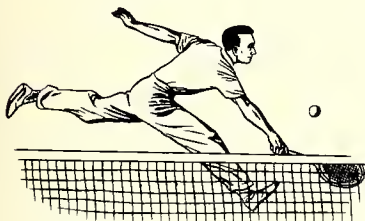

McCloud drives.

The 1958 tennis team completed the most successful year in the history of the sport here at W.H.S. In compiling their eight won, no loss season, they defeated several of the top powers in the state.

Although the loss of three lettermen will undoubtedly hinder the team's chances for another undefeated season, they will have the services of last year's number one man, Bobby Andrews, and other veterans like Bryant Thompson and Dan Williamson.

First row: Horton, Williamson, Andrews. Second row: Loy, Vernon, Thompson.

Andrews, first man.

Williamson serves.

Vernon volleys at net.

## Future Outlook – Promising

We live in a growing America. Our nation is dedicated to progress and the advancement of man and his world. And only through education can the necessary progress of the future be accomplished.

In textiles, tremendous forward strides are being made. Revolutionary new fibers and processes are giving Americans better and more attractive fabrics, for every purpose, than ever before.

Burlington Industries and its member companies and plants are proud to be an important part of one of America's most essential industries.
